Services Rendered

FUSADES Project

- o Developed and presented initial funding options for FUSADES as a model for similar laboratory projects in the Americas.
- o Arranged a meeting with Kenan Institute staff to explore the formation of a private-public-university partnership for the Americas patterned after the Kenan Development Partnership model for Thailand. Managed the preparation of relevant background documentation and agenda for the meeting with the Kenan Institute.
- o Prepared an assessment of the Kenan Institute option and outlined relevant issues. Prepared a document summarizing the results of the meeting.
- o Assessing World Bank projects to upgrade laboratories in Latin America.

Fees: \$ 10,000
