52249 8977

SCHEDULE

1. Legislation to expand the self-service sale restrictions of the "youth access" laws and to remove the current exception for sale of cigars.
2. Legislation to clarify the current youth access law provisions on vending machines, making clear that machines equipped with automatic locks or that use tokens are vending machines within the meaning of the law.
3. Legislation providing enhanced or coordinated funding for enforcement efforts under sales-to-minors provisions of the criminal code or the youth access statute and ordinances.
4. Legislation to encourage or support the use of technology to increase effectiveness of age-of-purchase laws, such as, without limitation, the use of programmable scanners or scanners to read drivers' licenses.
5. Legislation or rules restricting the wearing, carrying or display of tobacco indicia in school-related settings, including, without limitation, in school facilities, on school premises, or in connection with school-sponsored activities.
6. Legislation to create or stiffen non-monetary incentives for youth not to smoke, such as expansion of youth community service programs.
