The Company respectfully points out that as prices are never proportionate to the value of the film negatives and positives, video and audio tapes and other storage materials, entrusted to it, Customer's storage materials are received and stored by the Company only at the Customer's risk, and the Company does not accept responsibility for any loss of or damage to such materials, from any cause whatsoever. Storage materials delivered to the Company are accepted upon express condition that same are insured by the Owner thereof for the full amount of all risk and possible damage and loss, and that the Company holds a lien thereon for the amount balance due.
