Your Governors' Cup dollars helps the Montana Chamber Foundation

- * Challenge hundreds of Montana high school students to acquire business skills
- * Provide scholarships to teachers to administer the High School Business Challenge
- * Sponsor the annual Governors' Cup, a business recreational experience promoting Montana's growing opportunities for business and investment
- * Fund advertising and research projects calculated to grow Montana's economy

In 2001 more than 400 business and government leaders from Montana and around the nation will attend the GOVERNORS' CUP. We are also pleased to announce over 100 corporations and associations will help sponsor this special business building event.
