Re: Focus Groups Among Winston Smokers:

Dear José Luis:

It was pleasure hearing from you after such a long time. Here is the quotation for conducting 6 focus groups among Winston smokers in accordance with the specifications as contained in your RFQ of April 11, 2006.

Our tasks and responsibilities will be the following:

- Recruiting. We will confirm 12 for each group for 7-10 to participate. Our previous experience suggests that finding Winston smokers will be a time-consuming and cumbersome job.
- Facilities: We have state-of-the-art facilities.
 - Focus Group room. Beautiful and modern conference room capable of accommodating up to 15 participants. We also have a separate auditorium where up to 50 persons can be accommodated in a theatrical seating fashion.
 - Modern observation room with wall-to-wall and floor-to-ceiling one-way mirror and ideal sound system. More than 20 observers can be accommodated in his room.
 - Separate recording room.
 - Modern and large test kitchen.
 - Separate reception room.
 - Private parking facilities with attendant.
- Paying cash incentives to the participants.
- Serving light snacks and refreshments to the respondents and the viewers.

We understand that moderating and the preparation of the final report will be your responsibility.

The groups will be scheduled for April 18, 19 and 20, 2006, two groups per day during daytime. To be able to meet this schedule, we will need your immediate approval.

Te estimated cost is given in the following table:

Tasks and Services	Cost per Group (\$)
Recruiting	\$480.00
Facilities	\$350.00
Cash incentives	\$750.00
Snacks and refreshments	\$75.00
Hosting and parking lot attendant	\$50.00
Total	\$1,705.00

Note: We understand that there will be 10 viewers for R.J. Reynolds.

We will appreciate receiving the payment of one-half of the project cost plus the amount for incentives, which is \$7,365.00, upfront and the balance upon completion of all tasks.

We look forward to hearing from you.
